

Tullimbar Public School

Kindergarten 2024 Resource List

Dear Parents/Carers

To assist your child with their exciting start to Kindergarten, you might like to organise the following items over the holiday break:

- 1 box tissues
- 4 large Bostic glue sticks
- 1 packet of whiteboard markers

Optional:

If, over the holidays, you are able to collect natural resources we would really appreciate it, as we use these a lot during hands on lessons to count and sort into groups. Items could include:

- shells
- gumnuts
- leaves
- small pebbles
- small sticks

If these could be sorted into zip lock bags or plastic sleeves, then that will allow us to store them easily in the classroom.

Thank you for your co-operation. We hope this list makes it easier for you to prepare for your child's first year at school.
