

Special Religious Education (“SRE”) Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents/carers.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

The following options are available at Tullimbar Public School. **Please choose one.**
